2026 MIVAL Community Photography Show at MICEC

Whether you're a seasoned photographer or someone who simply loves capturing moments on your phone, this community photography show is for you. All skill levels encouraged to participate. Open to all Community Members 18 and over.

Show us what you see and what interests you. We're looking for images that reflect spirit, people, and places seen through your unique perspective. This is an opportunity for you to share your photos of Mercer Island, your travels, or whatever else has inspired you.

We encourage you to bring framed work if possible, and we will also have a "community wall" where prints produced from your submitted jpegs will be displayed all together. This is a public space so no images that are unsuitable for children please. The final decision for whether a piece is displayed will be made by the curator/display

committee. Cellphone cameras produce good images so don't stress over cameras and lenses. The remainder of the MICEC wall space will be available for larger framed photographs.

ENTRY GUIDELINES: There are two entry categories. You may enter either or both.

Category A - Jpeg Submissions:

Use the online registration to enter information about you and your photos. MIVAL will produce prints from your Jpeg files suitable for the community wall. A maximum of 4 files per person please. When emailing your JPEGs, send them at the best resolution, don't downsize in your email. *There is a \$20 entry fee to enter up to four jpeg images.*

Be prepared with your jpegs when you register.

UPLOADING JPEGS:

JPEGs must be provided during online registration. After completing the online form, email a maximum of four jpeg files, each no larger than 10MB. Please include "For Photography Show" in your subject line. Submitted files should be titled as follows: lastname_firstname_title.jpeg

Email your Jpeg photographs to: jamescarlson@mival.org.

Category B – Framed submissions:

For those MIVAL members and Islanders with printed and framed photographs, these will be displayed on interior walls of the Community Center. We encourage all styles and sizes that *are ready to hang**. Please be sure to put your name and title on the back of your framed work. **You may enter one or two pieces.** *All work must have hanging wire on the back. *There is a \$20 entry fee for up to 2 framed works.*

SALES:

You have the option of selling your photograph(s) if there is interest from a visitor to the show. All sales will be handled by MIVAL. The photographer will receive 75% of the sales price. If a piece is sold, the photographer will be notified. 8X10" prints of submitted JPEGs will be made available for sale at \$20 ea. **MIVAL will handle all sales.**
